Big Question of the Week

Why are doors important?

Imagine you find this door; what would you like to find inside?

POETRY BY HEART

The Door

by Miroslav Holub

Go and open the door.
Maybe outside there's
a tree, or a wood,
a garden,
or a magic city.

Go and open the door.
Maybe a dog's rummaging.
Maybe you'll see a face,
or an eye,
or the picture
of a picture.

Go and open the door.
If there's a fog
it will clear.

Go and open the door.
Even if there's only
the darkness ticking,
even if there's only
the hollow wind,
even if
nothing
is there,
go and open the door.

At least
there'll be
a draught.

Felix Project

Felix Project will continue to run on a Friday afternoon 1:30-2:30pm. We will prompt parents with a text. Please maintain social distancing to ensure this is safe. Food is also provided by Magic Breakfast.

Protect the Community-Covid

Please stay at home if you are symptomatic or if you have had contact with someone positive.

Family Matters

Please have a look at the Spring edition of **Tower Hamlets Families Matters**. William Davis has an article about the importance of reading and using libraries through covid. There is a nice photo of Kate (Yr 3) and Ayaan's mum (Yr 6) on **page 19**.

Parent Consultations

We are unable to hold our normal **spring term open afternoon** due to lockdown. Instead we are planning parent consultations on the phone on the week beginning 8th February.

Virtual School Tour Video

Please look at our new school tour posted on the homepage of the website. Please show it

to your friends, families and neighbours with young children.
