

William Davis Primary School

Vision

At William Davis we want the legacy from the 2012 Olympics to drive children's enthusiasm for taking part in a range of sports and for leading an active and healthy lifestyle. With the help of the School Sports Funding from the Government we are putting support in place to ensure that we continually strive to ensure we nurture, challenge and enable each and every one of our pupils to be the very best they can be in the area of physical development.

School Sports Funding 2018-19

For the academic year 2018-19 we will receive **£ 17,400**, £10,150.00 received in November 2018 and £7250 to be received in April 2019, through the Government's Primary PE and Sport Premium. This total is based on the pupil numbers in the January Census 2018. We will use the Sports Premium to purchase:

- pay for a gymnastics coach to support class teachers to develop their skills in teaching gymnastics
- pay our sports coach and support staff to engage children (girls and boys) in inter-school competitions and weekly clubs;
- we will pay for an Outward Bound (orienteeing, archery, cycling at a residential centre) opportunity for Year 6;
- we will support payment of a residential for Yr 4 which has opportunities for archery
- we will develop physical activities in the playground (Sports Ambassador programme);
- we will embed the Daily Mile;
- and we will fund additional swimming lessons in the summer term to ensure that KS 2 children leave William Davis able to swim 25 metres

Rationale

Through our provision we aim to:

- foster a love for and enjoyment of being active.
- develop 'fitness for life' through promoting the health benefits of regular exercise.
- identify talents.
- develop self-esteem, confidence and social skills.
- contribute to the physical development of each child.
