

WEEKLY NEWS Thursday 22nd June 2018

Message from the Headteacher

At this point in June we need to manage all the school jobs that need to be completed before the end of term. Teachers are busy assessing children's learning and writing reports ready for Parent Conferences in July; and the office staff are busy submitting the data to the Local Authority and DFE. We are very proud of the children and how hard they have worked during this assessment period, and grateful to our parents for their valuable support! Meanwhile classes are enjoying their topic on the World of Work; Year 6 are preparing their end of year performance and finishing their fiver challenge; and different staff teams are beginning the preparation for the new academic year: 2018-19.

Water bottles

To help protect the environment we would like to reduce the amount of unnecessary plastic used by the school. Please send your child to school with a **labelled bottle of water**. This will reduce the large quantity of plastic cups used.
