

## WEEKLY NEWS Friday 18<sup>th</sup> January 2019

### Message from the Headteacher

This week we hosted leaders from two neighbouring E1 schools: Hague and Stewart Headlam. We spent the morning observing teaching and learning across the school and the afternoon looking at books for evidence of progress. Our visitors were impressed with how confident and communicative our children are. They also commented on the excellent relationships across the school community; and the calm and focused behaviour. They suggested to develop our children's communication skills further we need to teach children to listen to each and respond to each other.

### Star of the Week

### Communication Driver

We are developing our vision for **excellent communication.**

**We believe our children need to be able to do:**

- use topic and subject words and phrases.
- speak in full sentences
- use a wide vocabulary
- use talk to develop their ideas with a partner or group
- use talk to solve problems and be creative
- be an excellent listener
- talk confidently and clearly in a range of situations and to different audiences
- be polite and respectful; and listen and respond to all adults and children
- know how to use our body to communicate well (eye contact, facial expressions and gesture)
- be good at explaining how they are feeling
- be good at resolving problems with other children using the Restorative questions

**Read them through and let us know if you have any skills to add.**

### Governing Body Election

We are recruiting two new parent governors due to two recent resignations. Please see Annika or Charlotte if you are interested in the role. We will then arrange a meeting for candidates with the Chair of Governors.

### EYFS Admissions Sept 2019

**The deadline for Nursery applications:** 17<sup>th</sup> February 2019. See Forida if you have missed the Reception deadline 15<sup>th</sup> January or if you want help with the Nursery application.

Dear parents,

## We're here to help you keep your child safe online

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they are offering useful tools; support and guidance to help parents and carers have frequent conversations with their children about their online lives.

## Our free online safety workshop for parents and carers

We would like to invite all parents, carers or family members to a free **online safety workshop** at **Stewart Headlam Primary School, Tapp St, London E1 5RE** at **9:15 am** on **Tuesday 5<sup>th</sup> February**. The content covered in the workshops is aimed at adults. Parents with children are advised to arrange childcare if possible.

The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

*"After coming to this workshop today, I realise the importance of having conversations with my child rather than avoid the subject. I didn't know there were things I could do to make it better, I'm so glad I came to this workshop. I will definitely be calling the helpline or going into store to get some help, thank you."* – Parent who attended the workshop

Don't miss out on this great opportunity. Please let an office staff member know if you would like to attend.

Until then, if you need any support or guidance about keeping children safe online, here are a few things you could do:

- Visit our [NSPCC](#) and [O2 NSPCC website pages](#),
- Call our free **O2 NSPCC Online Safety Helpline** on **0808 800 5002**
- Download our Net Aware app on the App Store or Google Play
- Pop into your local O2 store for online safety help from a [Guru](#) – you don't even have to be an O2 customer!
- Sign up to our [icebreaker email series](#).

Many thanks
