

School Sports Funding Action Plan 2024 - 2025

Number of eligible pupils: 172

Total Budget: £17,580

At William Davis we want **our WD vision for children to be physically healthy and to have healthy habits** to drive children's enthusiasm for taking part in a range of sports and for leading an active and healthy lifestyle. With the help of the School Sports Funding from the Government we are putting support in place to ensure that we continually strive to ensure we nurture, challenge and enable each and every one of our pupils to be the very best they can be in the area of physical development.

Through our provision we aim to:

- To continue to provide high quality Inclusive PE opportunities for children of all sporting ability, taking into the needs of changing cohorts with changing needs.
- Develop opportunities for EYFS children to have focused sporting sessions both with a qualified coach and with the EYFS team.
- Continue to strengthen the link and Increase the opportunities for children to compete against other schools, with the aim to become more competitive within these fixtures.
- To further improve attitudes to PE and Sports through our Personal Development Meetings

Action Plan for 2024-2025

Objective	Actions	Outcomes/Success Criteria	Cost	Monitoring and Evaluation of impact
To improve the quality of teaching and learning in PE lessons.	Use a sports coach to deliver all PE lessons as part of the PPA model. Re-design the PE curriculum to ensure greater clarity of progression.	<ul style="list-style-type: none"> - Children received specialist teaching in PE, leading to high levels of engagement and enjoyment - The least active children increased their levels of physical activity 	£15,194	
To ensure resources are matched to the new curriculum.	Order new resources linked to the new curriculum model.	<ul style="list-style-type: none"> - Children have access to high-quality equipment which ensures continued engagement in physical activity 	£800

Total spend:	£27,508.16
Total Primary PE and Sport Funding received/expected: £17,580	School Spend: £9928.16

Reviewed Action Plan for 2023-2024				
Objective	Actions	Outcomes/Success Criteria	Cost	Monitoring and Evaluation of impact
To further develop the range of extra curricular opportunities for PE	Maintain lunchtime hockey club and after school football club. Daily breakfast club option to play sports- provided by a TA/sports coach 8-8.30	- More pupils engage in extracurricular sporting activities.	£2000	There was a slight increase in take up for sports clubs. There was a concerted effort made to include a pupil with an EHCP in one of the sports clubs. It continues to be a challenge to get good engagement with after school clubs as many pupils have other commitments after school.
To provide opportunities for competitive inter school competition	Sports coach + TA to take groups of children to inter-school matches 3 x week.	- Children participate in competitive matches regularly - Children attend breakfast, lunch and after school clubs - Targeted children are encouraged to attend	£4574	Links with other E1 schools have been made and are now well established. Pupils are keen to participate in these matches.
To increase pupil take up of sports activities available in the local area.	Hold Personal Development meetings for all pupils in KS2 to encourage access to school based sports and also to highlight what is available in the local area.	- Children's engagement in physical activities increases - Children's fitness levels increase	£3876	PDRs have been a very useful tool in engaging pupils in talking about their wider learning, including sports. There are some positive examples of pupils engaging in a new sporting experience as a result of these meetings.

				Next year it would be good to develop this by introducing what is on offer in the local area, as resources at school become more stretched.
To provide a residential outdoor adventurous experience for pupils.	Gorsefield trip for Year 6: Magdalene Farm trip for Y4/5	<ul style="list-style-type: none"> - Children experience and develop skills in new sports - Children develop confidence and motivation 	£7200	Pupils reported many positive outcomes from the residential trip including making new friends, being more independent and challenging themselves.

Swimming Outcomes for 23 24:

% of children who swim competently, confidently and proficiently over a distance of at least 25 m	4%
% of children who can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke	4%
% of children who can perform a safe self-rescue in different water-based situations	4%
